ANNUAL REPORT 2021-2022

30th Anniversary Year

From the Secretary's desk

During the past 2 years, Covid-19 pandemic made many of us realize how strong we are, and how deep we can dig to be able to bounce back with renewed vigor. We are happy to inform you that we have bounced back to normal life and activities in this financial year in 2021-22.

Our staff rose to the occasion like never before and fought against all odds they faced due to Covid-19 pandemic. In the 2nd half of the year 2021-22, life in Paripurnata had become normal. We could carry out our entire planned programme satisfactorily.

Words are inadequate to express my sincere appreciation for them, I can only silently admire their efforts. Let us all hope, our living planet never faces such dreaded disease in future.
